### Customs Notice No. (2) of 2024

#### Application of the Industrial Waste Valuation policy

Dear our Valued Customers,

Please, be advised that the application of the Industrial Waste Valuation policy controls has already come into effect, as well as payment of the applicable fees on the exports of such waste. Therefore, the company concerned must enter the details relating to their product and pay the applicable fees as per its relevant category through the Ministry of Economy's link. The statement relating to payment of the fees has yet to be submitted to the local customs center during the customs clearance process.
